**INFORMATION DISCLOSURE STATEMENT**  
UNDER 37 CFR § 1.97

Sir or Madam:

Applicants through their attorney submit herewith, in accordance with 37 CFR §1.98, a list of references of which they are aware, which they believe may be material to the examination of this application and with respect to which there may be a duty to disclose in accordance with 37 CFR §1.56.

On November 01, 2008, Russian Publication Number RU 2120198 was cited in an Office Action of a corresponding patent Russian Patent application. Applicant was unable to obtain a translation of said Publication and therefore files herewith a copy of the above Russian Publication, as well as a copy of the U.S. Counterpart known to them, WO9512297.

While the references identified herein may be material to the examination of this application pursuant to 37 CFR §1.56, the citation of these references is not intended to constitute an admission that any reference referred to herein is prior art to the invention of this application unless specifically designated as such.

The filing of this document shall not be construed to mean that any search has been made or, that if made such search was complete or exhaustive, or that no other material information as defined in 37 CFR §1.56 exists.

A list of the references cited herein is set forth on Form PTO/SB/08a which is enclosed herewith. Applicants respectfully request that the Examiner return to Applicants a copy of the Form PTO/SB/08a indicating consideration of the references.

The subject application is believed patentable over any of the above-references.

Respectfully submitted,

Dated: May 20, 2009
